COMPANY PROFILE

TARGET Casters, established in 2005, is a professional manufacturer of caster and wheel products in China.

Our top-of-the-line facilities, include progressive stamping lines, automatic stamping lines, robot injection and OTC robot welding lines. Advanced equipments like these enable us to produce high-quality casters at a lower cost.

Additionally, we have developed our own ERP system, which integrates all processes and optimizes management, thus helps us stay competitive on cost and lead time.

More importantly, we have energetic members of production, inspection and sales that incorporate innovative concepts into TARGET Casters products and operations.

Here in TARGET , you will get solid support for the continuous and powerful development of your career.

Our Positioning: A professional High-Temp casters manufacturer.

Mission: We keep every industry moving.

Value: Good, Better, Best, Never Let It Rest.
